MCC NURSING PROGRAM COURSE PLAN REQUIREMENT CHECKLIST FOR ASSOCIATE IN APPLIED SCIENCE (AAS) NURSING

Academic prerequisites and requirements for admission to the Nursing Program are outlined below. Program admission is based on a first come, first served basis; once the requirements have been met, the applicant will be placed on the appropriate "Ready List". It is the responsibility of each student to notify the MCC Records Office of an address, name, and/or phone number change(s). (Please see the MCC Student Welcome Center or your "MyMCC" portal page for procedures on how to update your information.) The College will not be responsible for any incident arising from the student's failure to update contact information or from not checking their official MCC email on a regular basis.

READY LIST REQUIREMENTS

- ☐ Active MCC student status.
- ☐ If you have attended other colleges, request official transcripts to be sent from their records office to Transfer Evaluation, Room 1048H. Transfer credit will be given only for equivalent courses in which a "C" (2.0) or above was achieved.
- ☐ Request official completed high school transcripts or GED be sent to the Enrollment Services Office, Room 1043.
- ☐ Muskegon Community College cumulative GPA must be at least a "C" (2.0) GPA.

*** Reminders: If testing/coursework is over 8 years old competency must be validated on established examinations or by repeating the course. Courses in the Nursing Curriculum must be completed in sequence.**

WRITING SKILLS COMPETENCY - Complete one of the following:

- ☐ Score 26 or above on SAT Writing (19 or above on ACT English) score.
- ☐ Score 276 or above on Accuplacer Next Gen Writing. {Formerly 85 or above on the Accuplacer Sentence Skills test.}
- ☐ Complete ENG 091, Intro to English Composition, or ENG 101, English Composition, with a "C" (2.0) or above.

READING SKILLS COMPETENCY - Complete one of the following:

- ☐ Score 25 or above on SAT Reading (19 or above on ACT Reading) score.
- ☐ Score 265 or above on Accuplacer Next Gen Reading. {Formerly 90 or above on the Accuplacer Reading test.}

MATH SKILLS COMPETENCY - Complete one of the following:

- ☐ Complete MATH 036A, Basic Math, and Math 038, Pre-Algebra, with "C" (2.0) or above.
- ☐ Score 251-270 on Accuplacer Next Gen Arithmetic {formerly 64-98 on the Accuplacer Arithmetic test} **AND** Math 038, Pre-Algebra, with a "C" (2.0) or above **AND** pass the Math 035F, Metric Test Module F.
- ☐ Score 271 or above on Accuplacer Next Gen Arithmetic {formerly 99 or above on the Accuplacer Arithmetic test} **AND** pass the MATH 035F, Metric Test Module F.

COMPUTER LITERACY SKILLS COMPETENCY - Complete one of the following:

{* Computer courses must have been completed within the past five (5) years to transfer to MCC.}

- ☐ Pass the Computer Literacy Test with an 80% or above.
- ☐ Complete CIS 100, Introduction to Personal Computers; or CIS 110, Computer Concepts; or CIS120A, Introduction to Computer Information Systems with a "C" (2.0) or above.

COLLEGE SUCCESS SKILLS COMPETENCY - Complete one of the following:

- ☐ Complete CSS 100A, College Success Seminar, (3 credits) with a "C" (2.0) or above.
- ☐ Obtain a waiver from a counselor if at least 30 college credits of 100 level courses or higher have been completed with a cumulative "C" (2.0) or above.

*Accuplacer Next Gen replaces Accuplacer testing as of December 2018. Valid Accuplacer scores will be honored for current students. (Compass scores are no longer valid and need to be updated with Accuplacer Next Gen or have previous Accuplacer scores on file.)

GENERAL EDUCATION REQUIREMENTS
{Must be completed with a "C" (2.0) or above.}

Completion of the above Ready List Requirements in addition to the below General Education Requirements will qualify a student for a separate application for accelerated admission.

- ☐ ANTH 103 Cultural Diversity in Contemporary Society
- ☐ PSYC 201 General Psychology
- ☐ ENG 101 English Composition
- ☐ BIOL 105 L&L Anatomy and Physiology I
- ☐ BIOL 106 L&L Anatomy and Physiology II
- ☐ Satisfy Chemistry Competency with one of the following prior to Term 5:
  - Complete 1 year of chemistry with a C (2.0) or above from an approved high school within the past 8 years.
  - Pass the Toledo Chemistry Competency Examination in the MCC Testing Center with a "C" (70%) or above.
  - Complete CHEM 100 LEC/100A Fundamentals of Chemistry with a "C" (2.0) or above. (prerequisite: MATH 100A)
  - Complete CHEM 109 LEC/109A Chemistry for Health Science with a "C" (2.0) or above. (prerequisite: MATH 040 and MATH 041 or MATH 100A)
- ☐ BIOL 207 LEC & BIOL 207A LAB Microbiology

*** See also Nursing Career Ladder – Curriculum Design for required course sequence.**

ADVANCED PLACEMENT REMINDERS

- ☐ A student who exits the Program during the first level must met readmission requirements within two years to be eligible for advanced placement.
- ☐ A student who repeats any 3 different NUR or AH courses will be required to write a remediation plan that delineates a clear plan for future success and that is acceptable to the Nursing Faculty Admissions and Progressions Committee prior to readmission. A student with 3 or more different NUR or AH course repeats who is not successful during or following the implementation of a faculty approved probationary remediation plan will be ineligible for readmission.
- ☐ A student readmitted to the Nursing Program after withdrawal from or failure to achieve a minimum grade of a C+ (2.3) in a Nursing course may repeat the (same) course one time. If a passing grade is not attained when the course is repeated, the student will be ineligible for readmission.

REQUIRED FOR APPLICATION INTO LEVEL 2

- ☐ Submit evidence of current, unencumbered Michigan LPN license.
- ☐ A letter from current employer that indicates a minimum of 6 months full-time (or equivalent) current work experience in the LPN role.
