Visit the Herbal Sensory Garden

Muskegon Community College's (MCC) Herbal Sensory Garden is located on the college's main campus at 221 S. Quarterline Road, Muskegon, MI 49442. The garden is free and open to the public.

Visitors should park in MCC's East Parking Lot, located one block north of the main parking lot along Quarterline Road. For the most convenient access to the garden, park near the northwest corner of the East Parking Lot.

The garden is located in the outdoor courtyard between the Stevenson Center and the Arts and Music Building.
