Consult the C.M.U. General Education Requirements Transfer Guide and a counselor for additional courses. It is strongly suggested students only take a maximum of 1 year of course work prior to transfer because of needed courses not being available at M.C.C. and because of course sequencing in the major at C.M.U.

#### NOTES:

This is an accredited Bachelor of Social Work Program.

1. Admissions to the program is competitive with a limited number of students admitted each admission cycle.
2. Before transferring to C.M.U., please talk with the C.M.U. Social Work Program regarding program specifics at (989) 774-2690 or e-mail at [swk@cmich.edu](mailto:swk@cmich.edu). 3. It should be a maximum of 5 semesters to complete the Social Work major once the student transfers to C.M.U., including admission to the program.
4. Students are strongly encouraged to consider a transfer to C.M.U. after 3 semesters at M.C.C. Academic advising is critical to transfer students in this program, so early and continued contact with the C.M.U. Social Work Program is highly recommended.
5. A minimum overall grade point average of 2.5 with 50 semester hours completed (currently enrolled courses may be counted) is required for admission to the program.
6. Documentation of 100 hours of APPROVED volunteer or paid work experience of a helping nature and submission of a satisfactory supervisor reference form is required for admission. Part of C.M.U.'s General Education Requirements includes three basic competencies which can be satisfied at M.C.C. before transferring to C.M.U. by passing the following courses with a grade of "C" or better: English 101 and 102, Communications 101 or 201 or 210, and Mathematics 50 or above (except Mathematics 105). C.M.U. requires these competencies to be fulfilled within the first 56 credit hours.

English, Reading, and Mathematics Placement Tests may be required and are available in Testing Services, located in Room 134 – 777-0394. English and Reading placement tests may be waived if you show documentation of a proficiency level 1 or 2 on the high school MEAP or MME writing and reading tests or if you have an ACT composite score of 22 or greater. The Mathematics placement test may be waived if you show documentation of a score of 28 or above on the ACT Math test.

Transfer students should normally have a minimum G.P.A. of 2.5 prior to transferring to C.M.U. For further information contact the Admissions Office at C.M.U.

Students should check the M.C.C. catalog for course prerequisites.

It is recommended that Social Work majors become familiar with the Sociology, Anthropology and Social Work section in the C.M.U. Bulletin found at <https://bulletins.cmich.edu>.
