NOTES:

Transfer students are required to have a minimum transfer GPA of 2.5.

English, Reading, and Mathematics Placement Tests may be required and are available in Testing Services, located in Room 134 or call 777-0394. English and Reading placement tests may be waived if you show documentation of a proficiency level 1 or 2 on the high school MEAP or MME writing and reading tests or if you have an ACT composite score of 22 or greater. The Mathematics placement test may be waived if you show documentation of a score of 28 or above on the ACT Math test.

Students should check the M.C.C. catalog for course prerequisites.

Interested students are advised to contact the College of Nursing at G.V.S.U. immediately at (616) 331-7160.

Students normally do not complete an associate degree before transferring to G.V.S.U. The reason is a number of pre-nursing courses are not available at M.C.C. (examples: CHEM 230 and BMS 305).

It is recommended that Nursing majors become familiar with the Nursing section in the G.V.S.U. catalog; copies are available in Room 1106 in the Stevenson Center for Higher Education.
