PLEASE READ THE FOLLOWING TO MAKE CERTAIN YOU FULFILL ALL REQUIREMENTS

PELL GRANT

A. The amount of your award is usually estimated based on: (1) Projected funding appropriated by Congress. This amount may change if final funding levels are different. (2) Your anticipated status as a full-time student (12 or more credits per semester). If you enroll less than full-time, your award will be reduced. Please refer to MCC’s website at [www.muskegoncc.edu/financialaid](http://www.muskegoncc.edu/financialaid) for Pell Grant Payment Schedules; it will tell you how much your award will be at full- or part-time status. Your actual award will be determined no earlier than:
   i. At the semester census date for classes that have started or
   ii. At the start date of any late start class or
   iii. At the time of awarding if it is past the semester census date

B. You may charge your tuition and fees, up to the amount of your estimated aid. If the award is not enough to cover those costs, you must pay the balance. See the Facts payment plan at [www.muskegoncc.edu/paymentplan](http://www.muskegoncc.edu/paymentplan). If you register for classes and then decide not to attend, it is YOUR responsibility to drop from classes.

C. If your award is greater than your tuition and fees, you may also charge your books and supplies. Inquire at the bookstore when book sales begin for each semester.

D. If your Pell Grant award is more than the cost of tuition, fees, books and supplies, you will be sent a refund to your My MCC OneCard approximately two weeks after the end of the semester refund period. **NOTE:** If your classes have not started or you are not enrolled and attending classes at the time refunds are issued, your refund will be cancelled and you may owe back all or part of the Grant. Your aid may be recalculated after you receive a refund if you drop or never attend a late start class.

E. **REPAYMENT:** Federal law requires that all or part of **Federal Financial Aid has to be paid back if the student withdraws from ALL classes before attending at least 60% of the semester.** This is about 9-1/2 weeks after the start of a 15 week semester and about 7-1/2 weeks after a 12 week semester.
SUPPLEMENTAL EDUCATION OPPORTUNITY GRANT (SEOG)

A. The amount of your SEOG award is normally based on your anticipated enrollment as a full-time student. If you enroll less than full-time, the SEOG award may have to be reduced. You must enroll in at least 6 credit hours to be eligible for either award.

B. Read sections B, C, D, and E under the “Pell Grant” section (front side). Your SEOG will be credited in the same way.

COLLEGE WORK-STUDY PROGRAM

A. Complete and submit the “Student Employee Application” located online at www.muskegoncc.edu/pages/2312.asp. PLEASE NOTE: An award of work-study does not guarantee a job on campus.

B. Follow the directions on the MCC’s Web site “Student Employment - Finding a Job” for further directions.

C. After you have found a position and hired, you will receive a paycheck every 2 weeks, for the number of hours you actually worked. You may earn up to the amount of your work-study award. You must stop working once you have earned that amount, or at the end of the semester, whichever comes first.

D. While you are working as a student employee, you MUST be enrolled for at least 6 credits per semester (fall, winter, and summer). If you fall below 6 credits any time during the semester, your employment will be terminated immediately.

E. If you receive outside money, such as loans, scholarships, etc., your work-study award could be reduced or eliminated entirely based on the amount of money received.

OTHER TYPES OF AID

A. Read sections B, C, and D under the “Pell Grant” section. Depending upon the type of aid offered, your award may be credited in the same way.

B. If the award is a scholarship or grant for tuition (i.e. MI “TIP”), the amount is estimated, and will be adjusted to your actual tuition charges. Scholarships such as the MI Competitive Scholarship will be prorate if you enroll less than full-time (3/4 time = 75%, 1/2 time = 50%, less than 1/2 time = 0). Some awards require you to be full-time in order to receive any amount (i.e., the Board of Trustees, Counselors Scholarships). Outside agency and private donor awards will be credited according to the instructions of the donor. Because of the great variety of other programs, it is not possible to describe each one separately. Contact the Financial Aid Office if you have any questions about your specific award(s).
