EWING OUTFIT TOO FAST FOR RIVAL QUINTET

Pile up 44-11 Count in Fifth Victory in Six Games This Season

Flint, Jan. 30.—(Special)—Muskegon Junior College, playing a fast, clever brand of basketball, easily defeated Flint Junior College here Saturday night, 44 to 11.

The Muskegon team, led by Captain McDonald, Hathaway and Hohenstein, piled up points from the opening of the game, and was never headed. Flint, willing but weak, was unable to cope with the speed of the visitors.

The Muskies, after swamping Highland Park, had little difficulty in triumphing the Flint school, which had been beaten by Highland Park earlier in the season.

The Muskies have won five out of six starts this year, losing only to the undefeated Grand Rapids Junior College team. The Ewing squad meets Grand Rapids, at Grand Rapids next Thursday night in a battle that should decide the Junior college title for Michigan.

Hohenstein led both teams in scoring, and made enough points to win all by himself. He checked in seven field goals and two free throws for 16 points, while the best Flint could do was to make 11 during the entire game.

Captain McDonald's floor work was exceptional, although he could make only seven points, being tied with Rohwedder, who made one field goal and five free throws.

TWO GAMES SCHEDULED FOR JUNIOR COLLEGIANS

Muskegon Junior College faces two strong foemen this week. Tomorrow night the team travels to Grand Rapids to meet its greatest Junior College rival, Grand Rapids Junior College. Saturday night the Western State Teachers' College freshman team will try conclusions with Captain Norman McDonald et al., at the Central Campus gym. Muskegon Junior can tie for the state J. C. title with a victory at Grand Rapids. The Muskies lost to the Furniture City team in their first battle, here.

WESTERN NORMALS CANCEL SATURDAY GAME WITH J. C.'S

Western State Teachers College has called off the game scheduled between freshmen of that school and Muskegon Junior College for tomorrow night, here. The Western State freshmen play at Ypsilanti tonight, and the trip back could not be made in time, and have the boys in shape for the encounter here, it was decided.

The two teams will meet later in the season, on a date to be announced later. The next game for the Junior College is against Hope freshmen at Hope, next Friday night.

JAYSEES HAVE LOST TO ONLY ONE OPPONENT

The Muskegon Junior College basketball team in playing Hope College freshmen at Holland Friday night, will try extra hard to again break into the winning column. The Jaysees have lost two games, both to Grand Rapids Junior, while every other opponent on the local schedule has been defeated by lopsided scores. The Jaysees already have one victory over Hope freshmen. The team is eager for another.

Thursday night the Junior College team plays its greatest rival in state junior college circles, Grand Rapids, there. The game is the big one of the season for the Muskegon cagers, who were beaten on their own floor by the Furniture City quintet, but only after a hard fought and close contest.

Muskegon Junior College basketball team today left for Grand Rapids where an all-important game is scheduled for tonight. The local college quintet faces Grand Rapids Junior in a return game, and seeks to avenge the only loss of the season, at the hands of the Bosmen, here, in a close game.

Coach M. R. Ewing is confident his boys can turn the trick tonight. He declares the Muskegon Jaysees have developed greatly since their last game with Grand Rapids, and despite the superior height and reach of the Furniture City team, the speed of Muskegon should check in the contest.

Muskegon Junior has scored easy victories over Hope College Seconds, Ferris Institute, Port Huron, Highland Park and Flint Junior colleges, but fell before the veteran Grand Rapids team to make the season's record five victories and one defeat.

The Muskegon Junior College team takes on its most feared opponent in the Grand Rapids Junior game there. The only loss suffered by the Muskies was at the hands of the G. R. team here. The return game is regarded as the highlight of the remaining schedules of the two teams.

JUNIOR COLLEGE PLAYS MUSKEGON CAGERS THURSDAY

State Junior College Championship to Be at Stake; Teams Well Matched

When the strong Muskegon Junior college basketball team meets Coach Bos' Grand Rapids Junior college quint in the Lyon st. gym next Thursday evening, nothing less than the Michigan Junior college championship will be at stake. If the Bosmen succeed in handing the Sawdust City basketballers another defeat they will have undisputed claim of the state title, but if Muskegon comes out the victor the claims to the championship must be equally divided.

That the Muskegon five is a worthy match for the locals is shown by the close score which marked the first contest between these two teams. It was only by a last minute rally that the Bosmen were able to eke out a 34 to 28 victory. In one respect the Muskegonites have the edge over the local five. During the past few weeks the two teams have been meeting the same opponents and Muskegon has constantly handed them a more decisive defeat than the Bosmen have been able to do.

McDonald Muskie Star

MacDonald, brilliant center, is the outstanding man in the Sawdust City lineup. With his uncanny ability for sinking long range shots, he will be a constant menace for the local five. Hathaway and Hohenstein, forwards, are also expected to perform well on offensive for the visitors, while Lambert and Rohwedder are two excellent guards.

Green, local center, will probably not start in Thursday's game due to a minor injury. The following lineup has been announced by Coach Bos: Glocheski and Formisma, forwards; Stuart, center; Hondrop and Boynton, guards.

Ralph Conger will referee the main contest, which will start at 8:15, and which will be preceded by a preliminary between the Junior college freshmen and a quint composed of former Muskegon high school stars.
