

J. C. QUINT DOWNS FLINT FIVE 55-26

ADDRESS

M'DONALD HAS BIG NIGHT FOR MUSKEGON FIVE

Captain Checks in 25 Points in Record Scoring Spree of Season

Muskegon Junior College basketballers started today on plans for the subjugation of Highland Park Junior college as the next step in the local school's ambition towards winning undisputed right to the second place in the Michigan Junior College league. Saturday night the Muskegon team checked in a one-sided victory over Flint, with Captain Norman McDonald leading a terrific assault on the visiting quintet, with 12 field goals and a free throw for 25 points, a season record for Muskegon school players.

The local collegians took an early lead and were never headed. At the conclusion of the first half, Muskegon had checked in a lead of 27 to 15. The second half was even more one-sided, with Muskegon making 28 points while Flint was getting 11.

Captain Sets Record

Captain McDonald's scoring spree was evenly divided. He scored six field goals in each half, getting the odd point in the second period of play. Hathaway, Hohenstein and Rohwedder ably assisted the leader in piling up points, and when Flint sent a couple of guards against McDonald, the other boys speeded a trifle and started looping short and long shots through the hoop.

Hawkins of the visitors showed good form, caging five field goals for ten of his team's points. Gerlach, another forward, also worked well, but the visiting guards could not stop the sensational shooting of the Muskegon team.

Highlanders Win Prelim

In a preliminary that was interesting, the Muskegon Highlanders, Western Michigan Class B A. A. U. champions, defeated the Eshleman Druggs of Grand Rapids, Western Michigan Class C A. A. U. champions 22 to 12. The preliminary was replete with good basketball, the two teams exhibiting good coaching, team play, and shooting. Guarding, however, featured during the game.

The lineups and summary, main game:

MUSKEGON J. C. (55)	FG	FT	PF	TP
Hohenstein, rf	3	1	1	7
Bermann, lf	0	0	0	0
Hathaway, lf	5	0	0	10
Hilt, lf	0	1	0	1
McDonald, c	12	1	1	25

Totals	12	2	9	26

J-C. CAGE SQUAD BEATS HOPE FROSH IN RETURN SCRAP

Hathaway, Rohwedder High Scorers in 33-25 Victory at Holland

Holland, Feb. 23.—(Special)—Muskegon Junior College last night defeated Hope College Freshmen here in a fast game 33 to 25, with Hathaway and Rohwedder of the visitors bearing the brunt of the scoring.

The game was close all through, and in the final summing up, six field goals and two free throws by Hathaway, five field goals by Rohwedder, bore important parts.

Captain Norman McDonald of the Muskegon team was off on his shooting, but his floor work at times was sensational. His dribbling and passing baffled the Hope team, giving Hathaway and Rohwedder many dog shots which they cashed in on.

Vanderwolf of the local team led the Hope scoring with five field goals, closely followed by Becker, guard, who turned in nine points.

BUSINESS

The lineups and summary:

HOPE FRESH (25)	FG	FT	PF	TP
Smith, rf	3	0	0	6
Vanderwolf, lf	5	0	0	10
Just, c	0	0	0	0
Becker, rg	3	3	3	9
Klooster, lg	0	0	1	0
Vanderstoep, lg	0	0	0	0
Totals	11	3	4	25

MUSK. J. C. (33)	FG	FT	PF	TP
Hathaway, lf	6	2	1	14
Hilt, lf	0	1	0	1
Hohenstein, lf	2	0	4	4
McDonald, c	2	0	1	4
Lambert, rg	0	0	1	0
Rohwedder, lg	3	0	1	9
Totals	15	3	8	33

Muskegon Junior College will face a strong offensive team here Saturday night when the Highland Park Junior College cagers are presented to Muskegon fans. Highland Park, which has been beaten once by Muskegon, has improved greatly since that time. Last week the team defeated Bay City Junior College 60 to 14, demonstrating real ability to place the ball through the little hoops for two-point counters.

The game is a crucial one for the Muskegon team. A victory would give Muskegon undisputed right to second place in state junior college ranks, second only to the undefeated Grand Rapids Jay-see outfit, which was twice forced to its limit to beat Muskegon.

A preliminary that should draw considerable trade through the doors of the Central Campus gymnasium, will bring together Muskegon High school girls and Ravenna girls in a game that will at least decide the district championship, and as girls' basketball teams in the state are scarce, will give the winner a good chance to claim state laurels.

The Ravenna girls have won 10 straight games, and Muskegon High has eight straight to its credit.

BATTLE OF CENTERS TO BE SEEN HERE SATURDAY

Two centers, each captain of his team, will battle for high scoring honors Saturday night when Muskegon Junior College and Highland Park meet at the Central Campus gymnasium. Captain Norman McDonald of Muskegon, and Captain Morton of Highland Park are the stars of their teams. Morton recently made 21 points against Bay City Junior, McDonald has scored 25 points in one game this year.

With the admirable record of having scored 14 consecutive victories, six of them over four year institutions, Coach John Bon Grand Rapids Junior college cagers, winners of the Michigan Junior College Athletic association championship cup, are being hailed as the most accomplished outfit ever seen in action on a local floor.

While in most of the contents the Bosmen had the edge over their op-

H. P.'s Strong On Offense.

Muskegon Junior College meets a strong offensive team in Highland Park, which piles up big scores, but which doesn't pay much attention to guarding, thus allowing rivals to pile up points also.

The Muskegon team, with a combined man-to-man defense, and a flashing offensive led by Captain McDonald, Hohenstein and Hathaway, will be rated favorite in the game because of a decisive victory in the first meeting between the two teams, at Highland Park.

Tomorrow night Muskegon Junior College meets its most important rival for second place honors in the state Junior College race. The Highland Park team, boasting a strong offensive, is expected to draw a large crowd for the J. C.

Muskegon has lost just two games, and those to the undefeated Grand Rapids Junior College team. A victory over Highland Park would assure Muskegon second place in the state race.

Ravenna and Muskegon High girls will meet in a preliminary to the J. C. game tomorrow night. The two teams are undefeated, Ravenna having ten straight and Muskegon eight straight victories to their credits.
