Start here, go anywhere

Whether you're starting your journey toward a bachelor's degree, pursuing an exciting new career, or acquiring valuable skills to advance in your current job, MCC has the accredited academic courses to get you there. Gain a solid liberal arts foundation with credits that transfer to a four-year institution or prepare for in-demand and emerging jobs with an Applied Science degree or certificate. In addition to our main campus, you can pursue your MCC education at our locations in Ottawa and Newaygo counties or choose from our hundreds of online classes.

"My years at MCC gave me a great foundation to go on to Michigan State and the University of Michigan Law School at a time when I could not have afforded to go away to school." - *Anthony Kolenic '73*

Get the full college experience at MCC

Learning doesn't stop when you leave the classroom. At MCC, students have the opportunity to expand their education with over 30 engaging student clubs and organizations and participate in a variety of other enriching experiences. Learn while you travel to the United Nations, Belize, Germany, historical battlefields, and other destinations. You can work on our world-record-setting alternative energy vehicles, participate in the arts, and join one of MCC's 13 athletic teams – the most expansive athletic program of any Michigan community college.

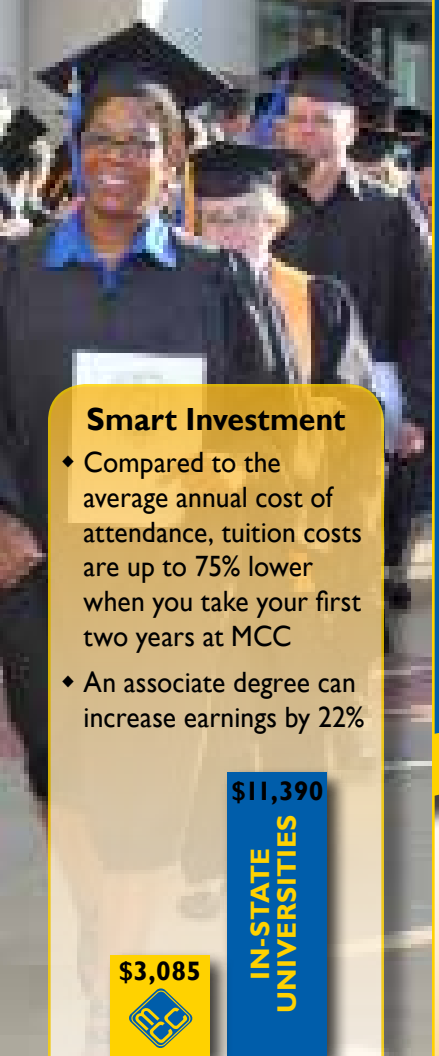
"You gain valuable experience, meet new people, and before you know it you're having a lot of fun, too."
- Lance Marczak '12



Smart Investment

- Compared to the average annual cost of attendance, tuition costs are up to 75% lower when you take your first two years at MCC
- An associate degree can increase earnings by 22%

Make an Investment in Your Future

An education is one of the best investments you can make. Those who receive an associate's degree earn an average of 22% more than with just a high school diploma. A bachelor's degree increases that figure to 40%. By attending MCC, you'll get a head start on those savings. Our tuition is less than half that of most Michigan universities and about one-fourth of many private four-year colleges. More than 70% of MCC students receive financial aid in the form of scholarships, grants, work study, and student loans.
