

Kathy started as a student at MCC in the early 1970s and returned to campus as the first secretary to Grand Valley's office at MCC. After transferring to GVSU's Allendale campus for a year, she came back to Muskegon in 1980 to work directly for MCC in the Instructional Affairs Office. Since that time, Kathy has been a clerk in the Financial Aid Office, Cashier, Bookkeeper/Accountant and Bookstore Operations Coordinator. She worked in the Academic (Instructional) Affairs Office again for a short time before joining Anne in the new office of Institutional Research and Development at MCC.
