“I thought it would just be a great place to start out. It’s not too big. Then I looked at the class size compared to the university. The classes are much smaller. I am glad that I made the choice to come here because there is a lot of help that is available. There are a lot of opportunities for students. I am just glad to be here.”

-CAPRICE WALLACE, STUDENT

A successful career starts with smart choices. Getting the most of your college education demands academic support, talented faculty, programs for today’s jobs, and the best return on your tuition investment. Pursue your passion or discover a new one at MCC. Choose from over 75 degrees and certificate programs. Step into an in-demand career after graduation or use the knowledge gained as your stepping stone to advanced studies.

SUCCEED AT MCC?

- Caprice Wallace, student

GET A DEGREE WITHOUT THE DEBT?

SUCCEED AT MCC?

OF COURSE YOU CAN.
INVEST IN YOUR FUTURE.

Our 6 locations offer you one of the finest community college experiences in the state of Michigan. We offer a wide range of programs and certifications, with over 17 degree programs in various fields.

COST OF ATTENDANCE: $5,265*

One key goal of the Muskegon Community College Board of Trustees is to keep tuition costs as affordable as possible. In that regard, comparisons with the other 27 community colleges in Michigan generally have MCC’s costs at approximately the average rate in the State. When compared to most community colleges across the state, MCC’s overall rates are substantially lower.

WAYS TO PAY FOR COLLEGE

- FAFSA (Free Application for Federal Student Aid)
- Promise Zones
