Early College is a program that allows high school students to delay graduation by one year in order to earn both their high school diploma and up to 62 college credits from Muskegon Community College.

**Students**

In the fall of 2016, there were 510 Early College students enrolled at MCC. Students eligible for Early College have a minimum cumulative high school GPA of 2.2 or 2.5 (depending on the county), place into college-level courses on MCC’s placement test, and are on track to graduate high school.

**Course Completion**

On average, Early College students enrolled at MCC in the fall of 2016 had successfully completed 25 of 26 credits attempted during 3.5 semesters. EC Muskegon students are on track to complete an average of 61 credits by the end of their 13th year.

**GPA (At MCC)**

Early College students receive personalized support and resources from their Early College Dean and Mentor, who guide them throughout all 3 years of the program and help them prepare for next steps beyond graduation.
