Enrollment is Everyone's Business

On February 8, all members of the MCC campus are invited to share ideas to help curb the trend of declining enrollment.

- **3.0%** MCC’s average decline in fall enrollment each of the past 5 years.
- **14%** MCC’s 5-year decline in unduplicated annual headcount - 5th best among Michigan’s 28 community colleges.
- **23%** The state’s 5-year decline in unduplicated annual headcount.
- **0.8%** The total percent increase in population for Muskegon, Ottawa, and Newaygo counties over the past year.
- **7%** The total percent increase in 12th-grade students for Muskegon, Ottawa, and Newaygo county high schools over the past year.
