Registration

Priority Registration WebAdvisor Only – April 25-28

Currently enrolled Winter 2016 students are given priority over all new students at the start of each semester's registration period. Your registration priority is based on the credits you have earned as of January 28, 2016. If you are a new student as of Winter 2016, your priority time and date is based upon the number of credits you were registered for as of January 28, 2016.

Students can view their exact priority registration date and time on MyMCC above WebAdvisor starting April 11, 2016.

WebAdvisor & In-Person Registration
April 29-August 21

To Determine Your Tuition and Fees

Locate the total number of contact hours you have selected to determine your tuition and technology fee. Add the contact hour tuition, technology fee, lab/course fee (if applicable) and the registration fee.

Example: Nine (9) contact hours as an in-county resident

Tuition	\$918.00
Technology Fee	198.00
Infrastructure Fee	72.00
Registration Fee	35.00
Course/Lab Fee (if applicable)	*
Total Payment Due	\$1223.00

Registration Fee: A \$35 registration fee will be assessed each semester to all students when registering for classes. The registration fee is refundable based on the tuition refund schedule.

* Some Courses Require Additional Fees

Payment Options

Students have four payment options:

1. Payment in full.
 - a) Credit card (VISA, MasterCard, or Discover) at www.muskegoncc.edu/WebAdvisor. Beginning December 1, 2013, a 2.55% service fee will be applied to all credit/debit card payments.
 - b) Check or money order. Please put your student ID number on your check. **NOTE:** a \$20.00 fee is charged for each non-sufficient funds check.
 - c) Cash (if paying in person).
2. Sponsor Authorization Form. Forms are available at www.muskegoncc.edu/sponsors. Sponsor Authorization Forms must be signed by an authorized representative and received by Enrollment Services by the payment due date.
3. Financial Aid Award (award must be confirmed by the MCC Financial Aid Office prior to payment due date).
4. Enroll in an interest free Payment Plan www.muskegoncc.edu/paymentplan. Beginning November 1, 2013, payments made by credit/debit card will be charged a 2.75% service fee. (Visa, MasterCard, Discover, and American Express are accepted.)

Fall 2016 Payment Plan Deadlines:

e-Cashier available **April 1, 2016**. Full payments may be made on e-Cashier through **September 10, 2016**.

Last day to enroll online	Down Payment	# of payments	Months of payments
April 1-July 2	None	5	Sept 5-Jan 5
July 3-Aug 25	10%	5	Sept 5-Jan 5
Aug 26-Sept 10	20%	4	Oct 5-Jan 5

Financial Aid

You are urged to complete the "Free Application for Federal Student Aid" (FAFSA) well in advance of the semester for which you plan to register.

Your award(s) may be based on the number of credit hours for which you are enrolled, so the amount credited to your account may be adjusted to reflect actual enrollment status. Eligibility will be determined no earlier than at the semester census date (end of the 15-week refund period) for classes that have started or at the start date of any late start class or at the time of awarding if it is past the semester census date.

If your financial aid award has been approved prior to the payment deadline, your aid will be automatically credited towards your tuition charges. If your financial aid award does not cover full tuition and fees, you must be prepared to pay the difference. If your financial aid award has not been approved by the payment deadline, you must pay your own tuition. It is suggested that all financial aid students use the Pending Aid Payment Plan.

The last day to enroll online for the "Pending Aid Payment Plan" is **September 10, 2016**. Payments are taken October 5 and November 5.

If the financial aid award is larger than your tuition and fee charges, your award(s) may be used to purchase books. The financial aid credit will be available for bookstore purchases **August 15-September 2**. All bookstore charges must be made by the date posted in the bookstore, even if you enroll in a modular class which does not begin until later in the semester.

Stafford Loans that have been certified by MCC and approved by the lender will be considered pending aid. If your loan was not certified or approved by your lender prior to the payment due date, be prepared to pay your tuition. Stafford Loans may not be credited to a student's account until the loan funds are received by the College.

NOTE: Aid is not credited to the student account until the end of the 15-week course add/drop refund period (Census Date); **so be sure to register for all of your classes on or before September 8, 2016 for Fall Semester.**

Non-Payment of Tuition

Fall 2016 tuition must be paid in full by **Wednesday, July 27, 2016 OR** you must enroll in the Payment Plan by that time (unless you have a confirmed financial aid award from MCC). Beginning July 28, all students who have a balance which is not covered by financial aid and who are not signed up for the Payment Plan will be subject to daily drops for non-payment through **August 31, 2016**.

After August 31, it is the student's responsibility to drop unwanted classes and monitor their balance on WebAdvisor. Students with unpaid balances after August 31 are subject to further collection procedures and may be submitted to a collection agency.

Cancelled Classes

For any class cancelled by MCC, a 100% refund will be granted.

Refunds

Refunds for course tuition and fees dropped in excess of those added are based on the date the drop is processed according to the refund schedule.

Refunds will be processed to the student's My MCC OneCard within 14 days after the refund period ends. For more information on the My MCC OneCard please refer to the My MCC OneCard section or visit <http://www.muskegoncc.edu/pages/3108.asp>

To Drop/Withdraw from a Class

You may drop classes by:

- ✓ **WebAdvisor-** www.muskegoncc.edu
- ✓ Submitting a Drop and Add Form to the Student Welcome Center during office hours.
- ✓ Through **December 2** for 15-week classes
- ✓ For early ending classes, you may drop up to one day prior to the end date of the class.

Confirmation of the drop is recommended by checking “My Class Schedule” on **WebAdvisor**.

- ✓ If you drop before the end of the refund period, no grade will be recorded on your transcript.
- ✓ If you drop after the end of the refund period, a “W” grade will appear on your transcript.

Make your withdrawal official by dropping your course on WebAdvisor. Your instructor has the option to initiate a grade of “W” or “E” if you missed an excessive number of classes.

MY MCC OneCard

Why is the “My MCC OneCard” important?

It is your:

- Official MCC Student ID
- MCC Library Card
- Method for receiving any refunds (financial aid, student loans, grants, scholarships or reimbursement for dropping a class)
- Required for purchases in the bookstore with financial aid, scholarships, or sponsorships
- Required for Book Buyback

MCC NO LONGER ISSUES PAPER CHECKS FOR ANY REFUNDS

Steps to getting “My MCC OneCard”

1. **GET YOUR PHOTO TAKEN** - Visit Enrollment Services – Room 108 to get your photo taken. Bring a copy of your current schedule and a photo ID.
2. **WAIT FOR YOUR NEW CARD** - Once you have your photo taken, your new My MCC OneCard will come in the mail approximately 7-14 days later. Watch the mail for a bright green envelope.
3. **ACTIVATE** - Visit www.mymcconecard.com to activate your card and select your refund preference.
 - ACH/DIRECT DEPOSIT – To have your refund deposited into a bank account you already have, choose Other Options and follow those steps. (Then the ID is NOT a debit card, but is your official MCC ID and Library Card.)
 - OneAccount - If you do not have an existing bank account or want to open a new one with Higher One choose OneAccount. (Then your ID is also your debit card.)
4. **STOP BY THE STUDENT WELCOME CENTER** - If you have any questions.

Student Conduct Issues

Muskegon Community College is concerned with the safety, health, and well-being of its students, faculty, staff, and community. With this in mind MCC has formed a new Behavioral Intervention Team (BIT) – which has been charged with identifying and coordinating services and intervention strategies for a broad range of troubling behaviors on campus. The BIT is responsible for upholding College policies and maintaining a healthy environment for the College.

How to make a report: Students may complete a report at any time by going to the MCC homepage, clicking on Students, Campus Safety and Policies, then Student Conduct Report.

The BIT convenes meetings once per month and provides administrators, faculty, staff and students with one place to report their concerns about a student’s behavior which might pose a threat to students and/or others in the College community. If you are interested in serving on this committee please contact Larry Visconti in the Counseling and Advising Center at (231) 777-0362.

Please remember that 911 should always be called first if a situation is life threatening. Call Campus Security at extension 545 or (231) 557-5648 for other emergencies.

Placement Guidelines

Using ACCUPLACER, COMPASS, SAT, ACT, and MME

Placement tests are required to facilitate placement in classes and/or programs. Such tests are intended not to prevent participation but to help students make appropriate choices. Please note that SAT/ACT scores are based on individual sub-scores and not the composite score. SAT and Accuplacer scores earned on or after 4/1/16 are accepted. **All placement scores have a 3-year time limit.**

Note: Many courses require that the Ready to Succeed requirement is met in addition to the placement listed.

We encourage you to make an appointment with the MCC Counseling & Advising staff to assist in program planning and selection of your courses. Call (231) 777-0362.

Testing Center Requirements:

- Any student who does **not** have an MCC Student ID number will be charged \$25.00 to take the MCC Placement Test. A student wishing to waive the \$25.00 charge must complete the MCC Application for Admission first and have their MCC Student ID number.
- Students must arrive within 15 minutes of scheduled time or they may be asked to reschedule the appointment.
- No children or electronic devices are allowed.

Logging into MyMCC

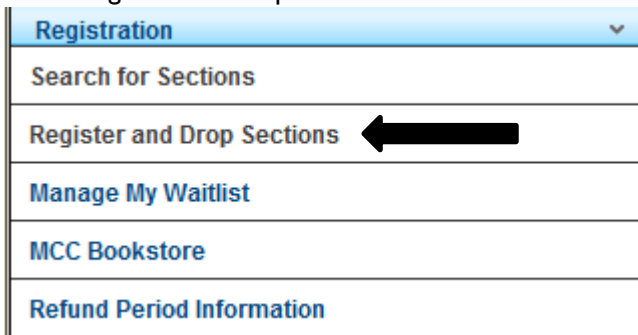

1. Go to <https://mymcc.muskegoncc.edu>.
2. Log in by entering your MCC Username and Password.
3. Once you are logged in to MyMCC, click on WebAdvisor for Students (upper right corner of page).

Registering for Classes

1. Click "Registration"

2. Click "Register and Drop Sections"

3. Click "Search and Register for Sections"
4. Select a term and at least one search criteria. If you add a Course Number, it must contain all letters and numbers of the class. Example: MATH-036A - The Subject is Mathematics and the Course Number is 036A. Once you've entered your search criteria, click the submit button to see the results.

COMPUTER INFORMATION SYSTEMS

Introduction to Personal Computers

Which Introduction to Personal Computers course is right for me?
MCC offers this course in two formats:

CIS100: 1 Credit Hour / 1 Contact Hour

This course is designed for students with some prior experience with personal computers and who feel comfortable with the basic operations of a computer including file management, word processing, email, internet use, and security. Students with little to no experience with computers should enroll in CIS100L&L, which allows students extra time with their instructor.

CIS100L&L: 1 Credit Hour / 2 Contact Hours

This course is designed for students with little to no experience with computers and students who feel uncomfortable with using computers. Students have an extra lab hour with their instructor to meet the same objectives as CIS100.

Not sure which one is right for you? Visit or call our Testing Center, Room 134, 231-777-0394 to make arrangements to take a "Pre-Test" for a recommendation on which format would be best suited for you.

IMPORTANT NOTICE: Note the number of weeks each section meets and take the following into consideration when choosing your section:

Number of Weeks Section Meets: 5

Considerations: Triple-paced sections meet for 5 weeks. Students must be highly motivated to succeed. Students that are uncomfortable with an intensified pace should register for a full 15-week section.

Number of Weeks Section Meets: 8

Considerations: Double-paced sections meet for a half semester. Students must be highly motivated to succeed. Students that are uncomfortable with an intensified pace should register for a full 15-week section.

Number of Weeks Section Meets: 15

Considerations: Full Semester sections meet for the entire semester. Students may choose CIS100 or CIS100L&L, as described above.

ENGLISH - COLLEGE SUCCESS CENTER

The College Success Center is an open-lab center where reading, writing, math, research and study skills may be sharpened and strengthened. Many CSC courses are taught individually; most of them carry one hour of college credit.

NOTE: Sign up for College Success Center courses during registration. Two weeks before the start of class, stop in the College Success Center, Room 401, to schedule a conference time. Students who have not scheduled a conference time by the end of the first week may be withdrawn. CSC courses can be arranged to fit into almost anyone's day or evening schedule.

The MCC Placement Test, SAT, or ACT Scores will tell you which reading and writing courses are required or which courses are available to you.

NOTE: Students should not take more than two, one-credit hour courses per semester.

MATHEMATICS – COLLEGE SUCCESS CENTER

Which CSC Math course is right for you?

Math 035: 1/2 Credit Hour / 1/2 Contact Hour

This course covers the same material as MATH 036A (below). However, students meet with an instructor in a one-on-one setting for 15 minutes each week, discussing one topic at a time. This format requires students to do a bit more work independently, but the pace is slower than that in MATH 036A. Students may register for a maximum of two modules during the 8-week session (half-semester).

Note: Two weeks before the start date of class, stop in the College Success Center, Room 401, to schedule a conference time. Students who have not scheduled a conference time by the end of the first week may be withdrawn.

Math 036A: 3 Credit Hours / 3 Contact Hours

The material covered is the same as that in the seven MATH 035 modules listed above. However, students meet in a traditional classroom setting and cover all of the module topics in one semester.

MATH-035F Metric System 0.5/0.5

F01	LRN		M*401	J Meeuwenberg	09/12	8
				G Doig		

Note: Between August 22 and September 8, students must visit the College Success Center (room 401) to schedule a conference time. Students who have not scheduled a conference time by September 12 may be dropped.

MATH-036A Basic Math 3/3

NURSING

Associate Degree in Nursing – This is a two year program. Graduates are eligible to write the National Council Licensure Examination to become registered nurses (RN). Students are eligible to write the National Council Licensure Examination to become practical nurses (LPN) after the fourth semester of the program.

The Nursing Program at MCC admits students on a first-come, first-served basis once required competencies for entry have been met. Please contact the Counseling and Advising Center at (231)777-0362 for more information on Nursing Program admission.

Excess Contact Hour Charges for Nursing Classes: There is an additional tuition charge for courses for which the number of CONTACT HOURS exceeds the number of CREDIT HOURS granted for the course. Contact hours generally represent the actual number of hours per week the course meets, including any labs or clinical instruction. An additional tuition charge applies when the number of contact hours is greater than the number of credit hours. The additional charge is determined by multiplying the tuition rate by the number of contact hours instead of credit hours. Nursing classes also have course fees. Visit www.muskegoncc.edu/pages/567.asp for information pertaining to course fees.

READING

The College Success Center is an open-lab center where reading, writing, math, research and study skills may be sharpened and strengthened. Many CSC courses are taught individually; most of them carry one hour of college credit.

NOTE: CSC courses can be arranged to fit into almost anyone's day or evening schedule. Your MCC Placement Test, ACT, or SAT Scores will tell you which reading and writing courses are required of you or which courses are available to you.

Students who have not attended class by the end of the first week may be withdrawn. New students will not be accepted after week one.
