**PART 2: PORTFOLIO REVIEW**

1. You must schedule a portfolio review with a MCC Visual Art faculty member. Contact Erin Hoffman at 231-777-0399 or Tim Norris at 231-777-0344.
2. Your portfolio should consist of actual works and be your best examples. A combination of actual work with digital photos on a CD is also acceptable. Up to 20 actual works may be included. Particular emphasis is placed on basic drawing skills so you should bring as many drawings as possible based on direct observation reflecting strong technique and effective composition.
3. During the portfolio review you are expected to be able to verbally explain the assigned requirements or intended goals of each artwork based on the language of art as learned in your classes.
4. You must bring the application form (PART 1) at the time of your portfolio review. Letters of recommendation and official transcript can also be delivered at that time or you may have them mailed ahead of time by your teacher/counselor.
5. The MCC Art Faculty will jointly jury the submitted portfolio after the initial review with you. Faculty will need to photograph key pieces in your portfolio for their reference.
6. By the approximate date of May 1 scholarship recipients will be selected and available funds will be determined. Shortly after that date you will receive a letter indicating the results.

**MCC VISUAL ART PERFORMANCE-BASED SCHOLARSHIP REQUIREMENTS**  
**-KEEP THIS PORTION FOR FUTURE REFERENCE-**

To **receive or renew** a Performance-Based Scholarship:

1. You must have at least a 2.0 high school or college GPA prior to receiving the scholarship.
2. Once you have received the scholarship, you must be considered a full-time student during the fall and winter terms and maintain a 2.5 GPA per semester. At least one of these courses must be in art.
3. The scholarship can be renewable up to 62 credit hours.
4. The scholarship can cover the cost of tuition and fees with any remainder going to the student.
5. The scholarship is typically awarded in one-year (two-semester) increments. It can, however, also be awarded for one semester. After 1-2 semesters, your GPA will be checked and your art class work will be evaluated by the art instructors. Based on your performance, the scholarship may or may not be renewed.
6. Although an "Art Major" is not specifically identified in the MCC catalog, we expect you to schedule the majority of your electives in art. Remember: at least two courses per semester must be in art to qualify for this scholarship.
7. The Arts and Humanities Department (the Visual Art discipline is in this department) asks new Performance-Based Scholarship recipients to work one hour at the visual art table at "Taste of Tomorrow," MCC's annual recruitment fair during the winter semester. Taste of Tomorrow is typically held on a Saturday in late March. Scholarship recipients will be contacted at least two weeks prior to the event to schedule their service.
