Muskegon Community College Facts

Muskegon Community College, designed by Alden B. Dow, features an enclosed courtyard through which Four-Mile Creek flows under the wings of the main building. The 111-acre campus is made up of the Academic Complex, the Technology Building, the Hendrik Meijer Information Technology Center, Bartels-Rode Gymnasium, the Stevenson Center for Higher Education, and the Frauenthal Foundation Fine Arts Center.

Opening in January of 1995, the Stevenson Center for Higher Education houses upper-level courses and programs offered by Ferris State, Grand Valley State, and Western Michigan universities. These institutions, in partnership with Muskegon Community College, form an educational consortium to coordinate offering to best meet the needs of West Michigan shoreline residents.

The campus is bounded on the west by U.S. 31; on the north by Stebbins Road; on the east by Quarterline Road; and on the south by Marquette Avenue. In addition to the academic facilities, the campus also contains a planetarium, art building, nature trail, theater, and art gallery, and outdoor athletic facilities. Parking is available for 2,000+ vehicles in the north and south lots.

Bartels-Rode Gymnasium is located just south of the main academic complex. The multi-purpose facility houses a physical fitness center, a free weight room, training room, classrooms, a computer lab, and a television control room. The baseball diamond, softball field, and six tennis courts are located adjacent to the gymnasium.

Lee Gilbert

Lee Gilbert is beginning his second season as head men’s basketball coach at Muskegon Community College. Prior to becoming the coach of the “Jayhawks” Coach Gilbert was the varsity Men’s Basketball Coach at Muskegon Heights High School for 24 years. While at Muskegon Heights he was the most successful basketball coach in the school’s storied history with 422 wins and 127 losses. Coach Gilbert guided Muskegon Heights to back to back Class “B” state titles in 1978 and 1979 and obtained state Runner-Up status in 1993. Gilbert then became the varsity men’s basketball coach at Grand Rapids Ottawa Hills for 5 years. In his first year there he took the program from last place in the city league to the league championship. Under his direction his success continued with three of five league championships and the teams were ranked in the top (10) in Class “A”, three of five years, compiling a record of 82 wins and 28 losses. Coach Gilbert reached the goal of 500 wins and is only one of eighteen coaches to attain that milestone in Michigan high school history.

Lee a graduate of Muskegon Heights High School earned 9 letters while participating in basketball, track, football, cross-country and baseball. He was named to the 1st team Michigan All-State Basketball team as a senior. He received a scholarship to Robert Morris College where he became an All-American basketball player. Continuing his career he played at the University of Oklahoma where he was a two year starter and team captain his senior year.

Lee and his wife Leticia have been married for 20 years, and reside in Muskegon. They have a daughter and four grandchildren.

Coach Gilbert’s goal is to continue guiding young men to success through the Jayhawk basketball program.
