

JUNIOR QUINT EASILY BEATS PORT HURON 5

Piles Up 49 to 13 Margin in
Tilt; Grand Rapids Junior
Here Saturday

Muskegon Junior College, with two victories checked in the first two games played this season, over Port Huron and Hope College Freshmen, Saturday night faces the veteran Grand Rapids Junior College machine which has romped over Calvin and Kalamazoo colleges this season.

Coach M. R. Ewing started active preparation for the game today when he sent his men through light practice to overcome the effect of the long trip to Port Huron Saturday.

Grand Rapids Junior College will be favored to defeat the local school, although Muskegon has a good chance of upsetting dope according to its showing so far this season.

Port Huron Is Easy.

Port Huron, Jan. 9.—(Special)—Muskegon Junior College flashed a superior brand of basketball here Saturday night, and with the entire team functioning well, overwhelmed the Port Huron Junior College machine 49 to 13.

The Muskegon team ran wild from the opening whistle. Hathaway, Hohenstein, MacDonald scored with regularity throughout the contest, and local scores were made few by the close guarding of Lambert and Rohwedder.

Win Hathaway, veteran of last year, turned in high total for the visiting aggregation. He shot six field goals and made two free throws. McDonald shot six field goals and a free throw, while Hohenstein threw five field goals and a free throw through the hoop towards his team's totals.

Second Straight Win.

The victory was the second in succession for the Muskegon team. Hope College Freshmen were treated to a lopsided defeat at Muskegon in a pre-holiday game.

CLOSE DEFENSE OF J. C. PUZZLE FOR OPPONENTS

Coach M. R. Ewing of Muskegon Junior College is a strong supporter of the man-to-man defense system. His defense has baffled Hope College Freshmen and Port Huron Junior College so far, one-sided margins being decided in Muskegon's favor. Ewing's defense tactics causes his players to follow their men to all parts of the floor. "Don't wait until the other team gets near your goal before forming your defense," Ewing tells his players. "You might better be fighting for the ball under their basket than under your own." The Grand Rapids Junior College game tomorrow night will provide a test for the system.

G. R. JUNIOR QUINT FAVORED OVER EWINGS

Grand Rapids Junior College, which plays Coach M. R. Ewing's Muskegon Collegians Saturday, will be strong favorites to win, and thus break the season's record of the local cagers. Muskegon Junior has won both games played by one-sided margins. Hope College Freshmen and Port Huron Junior college have been defeated without the Muskies being pressed.

But Grand Rapids Junior has been beating college teams while Muskegon was facing the Junior college and freshman squads. The Furniture City team is a veteran one that will force Muskegon to extend to the limit for a close decision. Much interest is being shown in the game, as the scoring combination of Hohenstein-McDonald-Hathaway is a strong one, and Muskegon is conceded just a chance to upset the dope.

GR. HERALD

Three major programs are to be presented here tonight. The division of fans will be considerable, with one program at the Y.M.C.A. gymnasium, another at the Central Campus gym and the third at Central Junior High gym in Muskegon Heights. The program for the evening includes:

At Heights—Pentwater girls and boys team play Heights girls and boys. First game at 7 p. m.

At Central Campus—Junior College five vs. Grand Rapids Junior, at 8:45 p. m. St. Mary's High vs. Whitehall, at 8 p. m.

At Y. M. C. A.—Muskegon Y vs. Benton Harbor Y, 9 p. m. Preliminary, L. O. Gordons vs. Highlander Seniors at 7:30 p. m.

The Heights boys' game is to be played at 7 p. m., as "Okie" Johnson, Heights coach, is to referee the Junior College game. Earl Martineau, All-America football star, and coach of Western State Normal, will referee the boys' game.

The Central campus program is perhaps the most important of the night's battles. Grand Rapids Junior is undefeated, and should Muskegon succeed in winning, the local school would be favored to take the state Junior College championship. Coach M. R. Ewing today said his team has a chance. He watched Grand Rapids Junior smother Ferris Institute last night 40 to 27.

COACH EWING EXPECTS HARDEST TILT SATURDAY

Coach M. R. Ewing expects the hardest game of the season Saturday night when his team faces Grand Rapids Junior College. The Furniture City team last year led all junior colleges in basketball, and is a veteran team this year. A lopsided defeat of Calvin college, and a victory over Kalamazoo College, are high points on the G. R. Junior schedule so far. Muskegon Junior has beaten Hope College Freshmen and Port Huron Junior in one-sided games.

FERRIS INSTITUTE TO PLAY J. C. THURSDAY

Ferris Institute and Muskegon Junior College will clash at the Central campus auditorium Thursday night. The Ferris team has lost to Grand Rapids Junior. Muskegon also lost to that team, but made a better showing than the Elg Rapids team.

GRAND RAPIDS J. C. KEGON 34-28

to Strong
Lead; Glocheski Stars for
Furniture City Five

Grand Rapids Herald Bureau,
Muskegon, Jan. 14.

Grand Rapids Junior college eked out a 34 to 28 win over the local Jaysees here tonight by virtue of an eleventh hour rally after Coach Ewing's team tied the score in the middle of the last half. It was by far the best court game seen here this year, fast through every minute.

The Bosmen started out with an eight-point lead before the local quintet scored. Throughout the half the Blue and Gold crept up, until Grand Rapids led, 20 to 15, at the intermission. McDonald, Green and Formama were the heroes of the half.

McDonald and Hohenstein tied the score at 20 all a few minutes after the final canto opened, and it wavered again to 24-24 before Stuart and Boynton sunk four baskets in a row and Green again came through near the finish. A desperate last minute rally failed the Muskies, who continually lost the ball on long shots.

Great passing and floor work alone kept Muskegon up in the running, for their shots were bounding off the hoop into the long arms of the waiting defense. It really was a battle of giants against midgets, in which size and steadiness won over speed. Capt. McDonald was the individual luminary of the game, both in scoring and general play. Capt. Glocheski of the rival five displayed a heady floor game which continually crossed up the local defense and he was most ably aided on offense by Formama.
