

MUSKEGON JUNIOR COLLEGE CAGERS TO MEET

HARD GAME IS PREDICTED BY COACH EWING

Two Class Teams in Preliminary; Main Battle Starts at 8:30

Muskegon Junior College plays its second game in a row at home this evening when the local school will entertain Ferris Institute of Big Rapids at the Central Campus gymnasium.

The collegians have been going through hard scrimmages all week preparing for the game. The setback at the hand of Grand Rapids Junior college, has placed the local school in the right frame of mind for tonight's game. Coach M. R. Ewing believes, and the big Rapids cagers should be treated to a distinct surprise here.

Muskegon Junior has faced Ferris in one football game and two basketball games since the two schools began athletic relations, but so far Muskegon has been unable to register as victory. Coach Ewing was hoping that tonight Captain McDonald and company would break one more jinx that threatens to form.

The Big Rapids team, which arrived this morning, is led by Floyd Tonkin one of the greatest athletes ever developed at Big Rapids High school, and who has starred for several years at Ferris.

Tonight's game will be preceded by a clash between Sophomore and Freshmen students of the college. The preliminary starts at 7:30 p. m., with the main game set for 8:30 p. m.

ADMISSION 25c and 50c.

J. C. CAGERS ARE CONFIDENT THIS WEEK

The Muskegon Junior College quintet has recovered its confidence this week. Following the Grand Rapids Junior defeat, considerable of the confidence necessary for a successful record, evaporated, and then Ferris Institute was levelled here in easy style. This week's games, with Flint and Highland Park Junior Colleges, both away from home, will find the Muskies "rarin' to go," and with the belief in their own ability restored in the hearts of the players.
