

FORWARD TRIO OF J. C. FIVE SWEEPS ASIDE VISITING TEAM

Captain McDonald Leads Scorers With 15 Points; Stages Races With Tonkin, Ace of Big Rapids Crew; Hohenstein, Hathaway Shoot Sensationally.

Muskegon Junior college displayed a smooth offensive that swept aside Ferris Institute last night at the Central Campus gymnasium 46 to 37 in an entertaining game.

The Muskegon college players performed as a unit, with a good passing game topped by some sensational shooting by the forward trio, Captain McDonald, Hohenstein and McDonald. The trio scored 38 of the J. C. points, one more than the Ferris team could score.

Tonkin, captain of the Ferris team, came up to advance notices, playing a great game and scoring 13 points for his team, three less than Captain McDonald sent through the hoops. The scoring race between the rival captains was a feature of the game.

The two teams played on practically even terms from the start of the game. At no time was either squad able to make a runaway, even temporarily, of the game. Tonkin ran wild in the first half, scoring five of his six field baskets, but in the last half, close guarding by Rohwedder and Lambert kept him from scoring beyond a single field goal and free throw.

Dries and Young, however, aided in keeping Ferris in the race. The score was in Ferris' favor until just before the end of the first half when a scoring flurry by the Muskegon boys sent them ahead 24-21 with seconds to go. The second half found the Muskies keeping their advantage intact throughout, with a slight gain noted at the end of the game.

The rival guards, Lambert and Rohwedder, for Muskegon, and Horning and Manahan for Ferris, played good games, and especially in the closing minutes of the game, added to the thrills by some sensational checking of scoring rallies.

TWO DAY ROAD TRIP FOR JUNIOR COLLEGE

Muskegon Junior College takes a two-day road trip this week in an effort to extend the once-interrupted winning streak of the season. The J. C. team meets High-

land Park Friday and Flint Junior Saturday on the road trip. The Jaysees have lost only to Grand Rapids Junior College this year.

MUSKEGON JUNIOR ONE OF STATE'S STRONGEST

Muskegon Junior College is regarded as one of the strongest Junior College quintets in the state, with the return game slated against Grand Rapids Junior as the only serious battle left on the schedule. G. R. Junior has beaten both Flint and Highland Park by one-sided scores. The Furniture City quint was lucky to win in its battle with Muskegon here. Thus Muskegon Junior will be favored to win both games this week, playing at Highland Park and Flint.

Muskegon Junior college, meeting Highland Park Junior there tonight and Flint Junior, there, tomorrow night, has a strenuous siege of real opposition, although the Muskies are favored to win both games. Muskegon Junior has won three games and lost one this year. That one was dropped to Grand Rapids Junior. Grand Rapids has defeated both Highland Park and Flint, thus giving Muskegon a real chance to come through this week.

MUSKEGON J.C. CAGERS SWAMP HIGHLAND PARK

Captain McDonald Scores 23 Points as Ewing Crew Wins 62 to 38

Detroit, Jan. 28.—(Special)—Led by Capt. McDonald, Muskegon's Junior College basketball team, smothered the Highland Park Junior College five here last night under an avalanche of baskets. The final score was 62-38.

Muskegon took an early lead when they made a field goal in the first thirty seconds of play. The lead see-sawed back and forth until baskets by McDonald, Hohenstein, and Hathaway left the visitors with a 30-20 lead at the half.

Highland Park opened the second period with a rush, scoring three times from the floor in quick succession before the Muskies opened up. From that juncture the orange and blue attack could not be halted. Its defense tightened, and Highland Park could garner only five baskets and four free throws.

Captain McDonald was the individual star of the game, scoring 11 baskets and one free throw for a total of 23 points. Hohenstein was second with seven field goals and two free throws. Hathaway's floor work and passing was great, and he scored five times from the floor and added with two gift shots. Lambert and Rohwedder, Muskegon guards, played exceptional games, holding down the Highland Park forwards.

The Muskies journey to Flint today to combat the Flint Junior College five tomorrow night. Flint has been defeated this year by the Highland Park quintet.

JUNIOR COLLEGE PLAYS GREATEST RIVAL THURSDAY

Muskegon Junior College would

stand out by itself in basketball this year in competition with Junior Colleges if it only did not have an exceptional Grand Rapids Junior College team as an opponent. One defeat this year has been charged against the local team, at the hands of the Furniture City quintet. The two teams meet again Thursday, this time at Grand Rapids.
