# DUAL TRACK SEASON OPENS TODAY WITH

## DOUBLE PROGRAM AT HACKLEY FIELD

DATE

### Grand Rapids Jaysees to Oppose Ewing Crew in Tilt After High Schools Finish; First Event Set for 2 p. m.

Two dual track meets were scheduled this afternoon at Hackley Field. Muskegon High school's tracksters were to get their initial test of the season in meeting Holland High athletes. Muskegon and Grand Rapids Junior College track men were to meet as soon as the high school battle was concluded. The Big Reds and Holland were to commence hostilities at 2 p. m., with the probable starting time of the college meet about 4:30 p. m.

The Jaysee meet was expected to find Grand Rapids a better balanced team than Muskegon, with individual brilliance resting with the Muskies. Lyle Hessel, captain of the Muskies, was expected to win his three favorite events, the 220 low hurdles, 100 and 220 yard dashes, without serious opposition. Hessel can go under the 10 second mark in the century, and runs the 220 dash in 22 or better.

### G. R. JUNIORS DEFEAT EWING CINDER SQUAD

#### Visiting Jaysees Score Heavily in Field Events; Hessel Features

Although Muskegon won six first places to the same number for Grand Rapids Junior College, not counting the relay event, too many second and third places fell to the visiting team at Hackley Field Saturday, for the Muskies to win. Team strength rather than individual brilliance gave the Furniture City team a 76 to 46 victory over the local squad.

Lyle Hessel was the hero of the dual meet. The diminutive sprinter of the Muskegon Jaysees, captured three first places and one second place for a total of 18 points. His time in the century was 10 2-10, in the 220 dash, with a wicked loose-cinder corner to get around, 24 second flat, and in the 220 yard low hurdles 28.4.

Muskegon had a slight lead when the track events were concluded, but lacked weight men to balance the final count, and with Grand Rapids running away with a majority of points in the field events, to back its second and third places in the track tilts, gathered too many points for the Ewing crew to match.

The Muskies won five of seven track events, but could only gather one first in the field events. Field winning the pole vault, in which he holds the state championship.

The summaries:

100-yard dash: Hessel (M) 1st; Haven (GR) 2nd; McConnell (GR) 3rd. Time :10.2.

High jump: Ford and Clark of Grand Rapids tied for 1st; Field (M) 3rd. Height 5 ft. 4 1/2 in.

Half-mile relay: Grand Rapids, time 1:41; winning team Haven, McConnell, Reiper and Harrison.

Totals points: Muskegon 46, Grand Rapids 76.

### TRACK AND TENNIS TEAMS TO TAKE ON WINDY CITY CREWS

#### First Competition Tomorrow; Will Meet on Grid Here November 10

Muskegon Junior College tomorrow opens athletic relations with Crane College of Chicago, the biggest two-year institution in the United States. The local Jaysees will meet Crane tomorrow morning in tennis, and in the afternoon the track teams of the two schools will compete, both meets being on the Crane athletic field in Chicago.

Coach M. R. Ewing was to leave today with his athletes, all point winners in the track meet with Grand Rapids Junior College, and the regular tennis team making the trip.

In addition to the meets for tomorrow, Muskegon has scheduled a football game with Crane, here, November 10, and two basketball games for next winter have been tentatively scheduled.

Coach Ewing planned to take Captain Hessel, star of the local team, Hume, Lambert, Kent, Fields, Swanson, Jopka, Batley, Covel, Berman, Schier and Hohenstein for the track competition. Hathaway, Gudel-sky, McDonald and Moss will represent the school in tennis.

In track, the local school expects to pile up many points, although facing a school that has a student body of some 4,000 to draw from. Few colleges in the country have faster dash men than Hessel. He will enter four events, in the 100 and 220 yard dashes, the 220 low hurdles, and the broad jump, with the possibility that he may also run the 440, besides the relay event.

Lambert in the 880, Berman in the 880, Kent in the mile, Swanson, hurdles, Fields in the pole vault, are considered likely place winners, with the other probably troublesome for the best Crane can offer.

Winston Hathaway is captain and number one man on the Jaysees tennis team. He is a southpaw, who has won his only match this year in the singles. He will probably be paired in the doubles with McDonald. Marvin Gudel-sky is number two on the team, and has been improving fast. McDonald is a newcomer, who has shown real skill. George Moss, former Heights High athlete, has also been advancing fast, and has displaced John Boyd, veteran of last year's team.

A return tennis engagement will probably be scheduled between the two teams, Coach Ewing said today.

Lyle Hessel, sensational sprinter and captain of Muskegon Junior College tracksters, has won six running races in two dual meets, and has added points in each of the meets in the broad jump. He is undefeated in his favorite events the 100 and 200 dashes, and the 220 low hurdles.

Hessel won those three events in the meet with Grand Rapids Junior College here, and then at Crane Junior College, Chicago, Saturday, he won the same events, just as easily as at the meet with Grand Rapids.

Hessel is capable of going under 10 seconds in the century if given opposition, although he has not broken that mark this year. He ran the century in 10 flat while in high school, and had an unofficial time of 9.8 at East Lansing last year, although he finished third in his heat to Alderman and Grim, State College sprinting stars.

Hessel's performance at Chicago aided the Muskegon Jaysees to make a good showing. One other first place was taken, by Fields in the pole vault. Fields also high jumped 5 feet 6 inches and placed fourth. Three Crane boys went over six feet in the high jump, and three went better than 29 feet in the broad jump. Some talent for a junior college.

Lambert won second and Berman third in the half mile, with Kent placing second in the mile run.

Another Muskegon specialist who has yet to face defeat this year is Fields, who won the vault in the two dual meets, and who is holder of the state championship, won last year. Fields went over the 10 feet mark at Chicago, but wasn't pressed and didn't try for any records.
