## College Students Have Pleasing Party

An attendance of about 75 was present at the Junior college costume party held last night at the Teachers' Country club.

Members of the faculty acting as chaperones were Director and Mrs. D. R. Henry, Mr. and Mrs. Earl Gasser, Miss McDill, and Messrs. Dunning Idle and O. Keyes.

Cornstalks and autumn foliage was used to decorate. Prizes for the cleverest costumes were awarded to Miss Gwendolyn Evert and Mr. William Valk. Dancing entertained, with music furnished by the roof-raising collegians, and cider and doughnuts were served.

## Elaborate Plans Are Completed for Young People's Party

Elaborate preparations for the young people's party to be held at the Young Men's Christian Association tonight, with the Young Women's Christian Association co-operating, have been completed by the various committees in charge. All young people of 18 and over are invited to be present.

The young women attending will meet at the Y. W. C. A. and leave for the Y. M. C. A. at 7:45 o'clock. An entertainment will be held in the lobby of the Y. M. C. A. followed by a ghost walk which will take in the entire building. Games will be played in the large gymnasium and refreshments will be served in the smaller gym.

Chairman of committees are: Glen Somers, general chairman, assisted by Dee Trimble; Warren Sweegy, Louis Janda, decorations; Da Vall, reception; Mildred Kulsenga, publicity; Kathryn M. Hutchins, refreshments; Anne Louise Pearce, entertainment; Norman Campbell, group singing.

The Y. M. C. A. dormitory orchestra will furnish the music for games and the grand march. Although this is not a costume party, it is announced that all who wish to come in costume are privileged to do so.

## COLLEGE UNION HAS "SPREE" AT Y. M. C. A.

The Men's Union of Muskegon Junior college staged a "spree" at the Y. M. C. A. last night. This consisted of a variety of entertainment including a vaudeville act, short talks and songs.

The feature of the affair was an act composed of Maurice Wilsie and Frederick Tufts. The meeting, held in connection with the anniversary program of the Y. M. C. A., was in charge of Joseph Marvin, president of the Men's Union.

## FAVORABLE REPORT TO BE MADE ON COLLEGE

A favorable report will be made to the North Central Association of Secondary schools and colleges and to the Muskegon Board of Education, by Examiner George R. Moon of Chicago, who spent the early part of this week in an inspection of the Junior college.

"We are not in a position to say anything definitely until Mr. Moon's written report comes back, but his conversation on the subject was very gratifying to us. He seemed well pleased," Superintendent of Schools M. W. Longman said today.

The North Central association will meet in Chicago March 12, 13, 14 and 15 to pass on the accrediting of Junior colleges. Principal John A. Craig is a member of the association commission on institutions of higher education, which will pass on the Muskegon Junior college. Mr. Craig has been asked to be in Chicago Wednesday, Thursday and Friday of next week.

## BOOKS TRANSFERRED FOR JUNIOR COLLEGE LIBRARY

Completion of details connected with the establishment of the new branch library at Junior College is being made this week under the direction of C. Tefft Hewitt, Hackley Public Library librarian.

Many books have been transferred to the new branch, located in a study hall on the third floor of Junior College building. They are reference works for literature, history and the sciences.

The library will be under faculty supervision during the day, and it will be necessary for the library to provide supervision for only an hour late in the afternoon after classes are finished.

Reference and file cards are being changed over now, and it is expected that all details will be completed before the end of the week.

## JUNIOR COLLEGE ON ACCREDITED LIST

### Muskegon Institution One of Few Accepted by North Central Ass'n.

Muskegon Junior college was one of just four of the 12 which made application to the North Central association of Schools and Colleges at its meeting last week for rating, to be placed on the accredited list of the association, Principal John A. Craig of senior high school, a member of the association, said today.

Low rating in one or more of the requirements upon which the rating is based, caused the rejection of eight colleges which made application. Points most stressed in rating are laboratory and library equipment, condition and standard, general equipment, and science of classes.

The North Central association now embraces 20 states, extending from Ohio to Montana and from Minnesota to Arizona. It is the largest of five similar organizations in this country.

The association division on colleges has determined upon a new policy of refusing to accredit teachers' training schools, such as normal schools, except those which provide a regular four year course for which a Bachelor of Arts degree may be given. Ypsilanti and Western State normals have qualified under this rule. Marquette and Mt. Pleasant normals have qualified for one year but must be inspected again at the end of a year.

"The association is doing a great work in maintaining the high standard of scholarship, and in raising that standard, in schools of the district," Mr. Craig said.

Muskegon High school has been on the accredited list of the association for a number of years.
