5. Administrative Reports
   A. Student Success Report – Dr. John Selmon
      1. Enrollment – A new enrollment report was uploaded to the Board MyMCC page this morning. As of today, contact hours are at 99.2% of budget and new student count is up 6% from a year ago. In February, work will start on the new Strategic Enrollment Management Plan for next year.
      2. Student Success Completion Agenda
B. Personnel Report – Kristine Anderson reported the “Take Time Thursdays” held on campus over the holidays were very successful. Faculty and staff bring their lunch and join their colleagues for activities and events to build the MCC community. Plans are in the works to bring this back once the semester is underway.

The payroll and benefits group have been very hard at work for the beginning of this year with increases to minimum wage for all of the student employees, getting the benefit changes in place, and significant changes to W-4’s and tax tables which created a lot of system changes to implement, test and retest.

The Annual Service Award Luncheon is scheduled for 12:30 today in Room 2323.

6. Business Non Operational
   A. MCCA Report – Trustee Crandall
   B. Foundation Update – Ken Long

7. Old Business

   C. Trustee Moore moved approval of the proposed changes to the Foundation for Muskegon Community College Bylaws; second. Vote unanimous; motion carried.

Ken Long summarized the changes, stating most came about due to changes in staffing. The Alumni Relations Manager was removed from the FMCC Board, as there is not a need to have three staff people as non-voting members of that Board. The Executive committee changed from Dr. Nesbary to Ken Long, as there is no need to have both. The Foundation Board is working to be efficient with people’s time and to have the proper representation.

9. Board of Trustees Policy Governance – Chair Osborn
