

Child Development Associate Certificate
2021-2022 catalog years
Two-Year plan for part-time students ONLINE TEACH

Description: The certificate prepares students to apply for the Child Development Associate (CDA) credential in a center-based preschool program awarded by the Council for Professional Recognition. The requirements include the 120 formal hours of training and the 480 required fieldwork hours. The certificate prepares students for entry-level employment in an early childhood education environment or building into an associate degree

Career Opportunities: A wide variety of potential jobs with the certificate degree only may include preschool assistant, preschool aide, and nutritional aide. Salary ranges include \$16,000 for classroom assistant and entry level positions in Early Childhood Education.

Transfer paths and requirements: This program is designed for students wishing to go directly into the workforce.
