Student Release Authorization

Students are responsible for managing their enrollment at MCC. This form is for course approval and tuition authorization only. Students will need to register themselves for all courses at MCC. I agree that registration is contingent upon timely completion of all requirements and available open seats in the course(s) selected. The college’s course schedule is tentative and may change, including canceled sections, added sections, faculty changes, and textbook changes. I agree to become knowledgeable about MCC’s rules and regulations and abide by them. I understand that course transferability varies by institution, and that it is therefore my responsibility to check with the receiving institution to see if my credits will transfer. MCC may release my academic records to my high school, including but not limited to course progress, attendance, and final course grade(s). I understand that MCC faculty and staff are not able to release or discuss academic information with my parents/legal guardians without submitting a Student Release Form to MCC’s Registrar’s Office.

I understand that I am responsible for ALL tuition and charges related to attending MCC if a course is not approved by the school district. I understand that I must be responsible for ALL tuition and charges related to attending MCC. If I drop a course AFTER the 100% drop deadline date, I understand that I must discuss any changes made to my schedule with my high school counselor prior to making them (including adding and dropping classes). Please sign and date below if you agree.
