

2023-2024 Schedule

## Carr-Fles Planetarium

Muskegon Community College, Room 1072  
221 S Quarterline Rd, Muskegon MI 49442

Free public shows on Tuesdays and Thursdays @ 7:00 pm, for ages 6 and up.  
No reservations are needed – walk-in only. Doors open for seating by 6:45.

We have 44 theater-style seats and 5 spaces for those who use wheelchairs.

Free, **private** shows are also available for groups of 15-44.  
Email [tamera.owens@muskegoncc.edu](mailto:tamera.owens@muskegoncc.edu), or call (231) 777-0289.

All shows are about 35 minutes, and include a brief demonstration of the star positions in the current night sky.

<b>Faster Than Light</b> A virtual ride aboard the spacecraft of the future. What rocket designs might one day conquer space?		<b>Mystery of the Christmas Star</b> A modern look at astronomical events visible in the sky in the time of Jesus' birth.		<b>Birth of Planet Earth</b> Explores the question of how Earth became a living planet in our solar system's violent birth. <i>New Show!</i>		<b>Destination Mars</b> Our sights are set on the Red Planet and we're building the technology to get us there. <i>New Show!</i>

				Mar 19	Mar 21	June 4	June 6

Make your visit a double feature and stop in before your planetarium show.

### John Bartley Science Museum

Room 1073 (across the hall from the planetarium)  
Walk-In Hours: Mon & Weds: 9:00am – 4:00pm  
Tues & Thurs: 9:00am – 7:00pm

Free and open to the public, the museum offers a unique hands-on facility, engaging children and adults alike in hands-on science education. Plan on 20-30 minutes.

This year's exhibit is "Energy Exploration."

Closed on the same dates that the planetarium is closed.
