

# MCC Ottawa Center

The Muskegon Community College Ottawa Center was purchased by the college in December 2018 as a successor to its rented location in the Grand Haven Community Center. The 6,550 square foot Ottawa Center and adjoining 80-space parking lot at 16777 Lincoln St. in Grand Haven offer MCC several advantages: a permanent college-owned site entirely dedicated to providing higher education opportunities to Ottawa County residents; ample free parking; close proximity to Grand Haven High School; and a central location to serve all of Ottawa County. The building was renovated the Summer of 2019 and officially opened on Aug. 26, 2019.
