STUDENT ATHLETE OUTCOMES

Institutional Graduation/Transfer-Out Rates and Enrollment for Student Athletes

Muskegon Community College (MCC) is pleased to provide the following information regarding the college's graduation/completion and transfer-out rates. The information is provided in compliance with the Higher Education Opportunity Act of 2008, as amended. The rates reflect the retention, graduation/completion, and transfer-out rates for "First-Time in College, Full-time, Degree-Seeking" student athletes. The information is reported annually to the Integrated Postsecondary Education Data System (IPEDS).

Graduation/Completion and Transfer rates are based on a three-year period of attendance for two-year programs, and one-and-one-half years for one-year programs. The categories do not overlap. Students who both graduate and transfer are only counted as graduating.
