INTERNATIONAL STUDENT 2026-2027 COST INFORMATION

International Admissions
221 S. Quarterline Rd.
Muskegon MI 49442

The U.S. Customs Service and U.S. Citizenship and Immigration Services require Muskegon Community College to obtain verification of financial support for at least one academic year. The following expenses are estimates only and are subject to change.

As traditional enrollment includes Fall and Winter terms, these are estimates based off an International Student enrolled in 30 credits between the two terms or one “traditional” academic year. Depending on the enrollment of summer semester, expenses may be different.

These amounts are considered to be an average expense for a full course of study and living expenses for two semesters.

MINIMUM COST ESTIMATE	RATE	COST PER YEAR
Living Expenses		
Housing	\$445 monthly*	\$5340.00
Food	\$45 weekly*	\$2340.00
Educational Expenses		
30 Credit Hours	\$318 per contact hour	\$9,540.00
Registration Fees	\$35 per semester	\$70.00
Technology Fees	\$30 per contact hour	\$750.00
Infrastructure Fees	\$17.50 per contact hour	\$450.00
Books & Supplies		\$1500.00*
Transportation		\$480.00*
Health Insurance		TBD*
Contingencies/Emergencies		\$2,047
ESTIMATED MINIMUM EXPENSES		\$22,517

One key goal of the Muskegon Community College Board of Trustees is to keep tuition costs as affordable as possible. In that regard, comparisons with the other community colleges in the state show that MCC’s costs are consistently in the lowest quartile. Compared to most universities and private colleges, MCC’s tuition rates are substantially lower.

*Please note, as housing, food and transportation selection is up to the student, these are estimated average costs and could be *less or more* than stated.

± Some Muskegon Community College classes carry an additional course fee.
